O R D E R

Pursuant to Commission Regulation 807 KAR 5:056, the Commission on December 6, 1988 established this case to review and evaluate the operation of the fuel adjustment clause of Berea College Electric Utility Department ("Berea College") for the period from November 1, 1986 to October 31, 1988.

As a part of this review, the Commission ordered Berea College to submit certain information including, inter alia, its monthly fuel charges for the period under review and an affidavit attesting to its compliance with Commission Regulation 807 KAR 5:056. Berea College has complied with this Order. The Commission further ordered that a public hearing be held in this case, but cancelled it when, after publication of notice, no interested party advised the Commission of its intention to attend.

The Commission, having considered the evidence of record and being sufficiently advised, finds that Berea College has complied in all material respects with the provisions of Commission Regulation 807 KAR 5:056.

IT IS THEREFORE ORDERED that the charges and credits applied by Berea College through the fuel adjustment clause for the period from November 1, 1986 to October 31, 1988 be and they hereby are approved.
